VEDANT MOHOL

PROFILE

I am a passionate computer science student with a keen interest in web development. I possess a solid foundation in HTML, CSS, JavaScript, React JS, Express JS, Node JS, and MySQL. My experience includes creating dynamic and responsive web applications. I am committed to continually enhancing my skills and knowledge, staying updated with the latest industry trends and technologies.

Eager to tackle real-world challenges, I am looking for opportunities to contribute to innovative projects and collaborate with like-minded professionals. My goal is to leverage my technical expertise and problem-solving abilities to build efficient and impactful web solutions.
